

The Rialto Needs Your Help!

An opportunity to receive seating and only pay for the installation of gently used seats (pictured below) from the studio of Dr. Phil Show has been presented to The Hall Rialto Preservation Association.

We need to raise \$16,875 By January 21st

How did we come across this opportunity you ask?

We received a quote from another company to only piece together and install seating at approximately \$22,000- \$27,000 (With no seats offered), The second company thought our theater would be the perfect home for the seats pictured below and is willing to donate them to us. Installation, materials, layout design, and transportation would only cost \$16,875. Unfortunately, they can only hold them for 3 weeks before the company lists them for sale. Also, this company wants to install the seating immediately after removal to cut down on the handling and storage costs plus any lost components if not installed immediately.

Please help raise the money to install the below seats.

DONATED SEATS FOR HALL RIALTO THEATER TO BE INSTALLED BY JANUARY 21, 2024

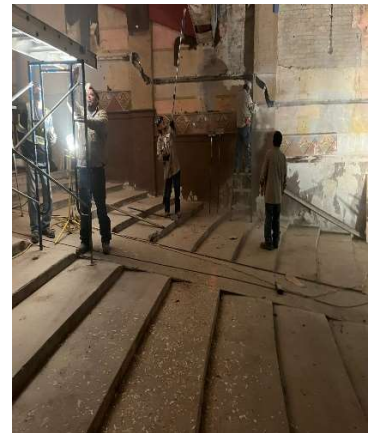

Spring 2023

Summer 2023

Fall 2023

Currently Awaiting Seating

Hall Rialto Preservation Association
114 North Washington Street
Beeville, TX 78102

The Rialto Theater located in downtown Beeville was once the crown jewel of the city of Beeville. Many generations of visitors and tourists have experienced the Rialto over the decades. From first dates to birthdays to celebrity visits, the theater has been the scene of excitement and celebration.

Bee County and the City of Beeville need the Rialto back to her crowning glory. Imagine the possibilities! Live performances of orchestra music and plays, classic movie screenings, town hall meetings, and the ability to rent the space to host your event.

The downtown district would certainly benefit from this historic theater coming back to life by attracting more people and businesses back to downtown Beeville.

Please see the attached letter and consider our donation request. We are a 501c3 non-profit organization so your gift is tax deductible.

Donations can be delivered in person downtown to Mark Parsons at Hogues Jewelry, Libby Spires at Florette Spires CPA, or Nick Ottensman at Prosperity Bank, or let us come to you by contacting us.
